

Our Members, Our Focus®

The EIM IAC is available to respond to specific questions and assignments from EIM's Board and to reflect input to the Board from the EIM Member Risk Managers (you and your companies). The IAC meets quarterly.

The following is a summary of discussion items from the first quarter IAC meeting held on March 26, 2024:

Discussions centered on the Review of the Risk Managers Information Meeting (RMIM), Wildfire Taskforce and Distribution.

- Successful RMIM Conference with approximately 375 attendees. Next year's RMIM will be held in Tampa, FL on March 23-25, 2025.
- A discussion around Wildfire taskforce proposed allowing additional non-IAC Members to participate to bring in more resources into discussions and information sharing.
- CATL battery discussion surrounding use of Chinese batteries and impact.
- Distribution: Earlier communication was discussed. Approval of distribution in November and communication through IAC during the same time period will be the process next year. The announcement will be earlier and also in the following RMIM.
- Nominating: Mr. Garcia was unanimously nominated as the next Vice Chair of the IAC.

The next IAC meeting is June 4, 2024.

Please share any input you may have or want the IAC to evaluate for EIM Board and/or management consideration. It will be our pleasure to discuss and answer questions you may have regarding the activities of the IAC and EIM.

Thank you for your continued support of EIM.
